## CHILDREN'S HALF-DAY PARTIAL CARE PROGRAM

**I**nterdisciplinary team works with children ages 7-12 years old in a half-day, afterschool partial care program. The goal is to help children overcome the problems that interfere with their ability to function appropriately at home, school, or in the community and avoid out of home placements.

This program is located on the campus of CPC's High Point Schools. There is no charge to families for this service. Children participate — up to 15 hours per week — afterschool, typically for between 6-9 months.
